I have been very happy with the way you've handled our furniture - and the results to date. It was great that everything was completed to time - the furniture is excellent quality and your contractors were friendly and efficient.

“

I wanted to thank you sincerely, for your time, generosity, and continued efforts in assisting us to set up the apartment for rental. I do appreciate your being so readily available to talk, and explain things, when you are most likely incredibly busy. You seem genuinely concerned about taking care of your clients, and it shows in your commitment to your job. My very best wishes to you.

Siamo una comitiva di dieci persone che abbiamo deciso di trascorrere le nostre vacanze in Calabria, l'Agenzia Prendocasa Immobiliare ci ha aiutato ad affittare due appartamenti. Volevo quindi ringraziarli per la loro disponibilità e gentilezza. Ci vediamo in estate.

Ho incaricato Prendocasa alla vendita del mio appartamento che devo ammettere è stata veramente tempestiva. Ottimi sono stati i loro consigli, la trattativa è andata nel migliore dei modi. Nessun dubbio nel raccomandare l'agenzia Prendocasa per la qualità dei servizi.

“

Regarding Raffaele, Maria and the team at Prendocasa I personally have had absolutely no problems at all. They have been very helpful to me from the start of this process, on some occasions going out of their way to help us. With regard to punctuality, I did not think we worried about that in Calabria. I hope that the negotiations with the builder go well and I am pleased that Raffaella is the one negotiating on our behalf.

“

We have bought our furniture pack from Prendocasa and we are very happy with it and we thought a very good price. They have a website, just search Prendocasa, although I can't see any prices on there. We rent out through Prendocasa too. Hopefully we will have lot's of rentals.

“

I have found Prendocasa to be helpful, patient, understanding over the past 2 years. All the way Maria and Raffaele have been so helpful and patient and I think its a very professional and efficient company that cares about its clients and I would recoment them to anyone, from what I have experienced so far I think they provide a wonderful before and after sales service. I have only experienced the presale services so far and have seen the package offered in management and admin and am very happy with what I have seen.
